Special Packages:

If you are interested in more than a group photo, we offer photo and video packages for individuals all the way up through entire groups. Contact us soon to reserve your date and time.

Action Photo Package: We will stay with your Blue Angel and shoot photos with them for half of the day (roughly 3 hours). We will take hundreds of photos, including action sequences like you see in the magazines as well as candid shots with their friends. We will select the best images (generally 100 or more) and compile all of them on a CD. You can then make your own prints from the photos we've taken or you can order prints from Martini Productions at a reduced rate. You can also opt to have us focus on one Blue Angel, an entire group, or any number in between, so long as they are in the same group.

Cost: \$350 (includes roughly 3 hours on the mountain, up to 6 CDs, shipping & handling, and tax)

Video Package: The Video Package is just like the Action Photo Package with the difference that we will be shooting video instead of photos. The end product will be a DVD that includes a series of clips of your Blue Angel that you can enjoy on your DVD player or that can be used to make your own movie (with video editing software such as iMovie, Premiere, Final Cut Pro, and Windows Movie Maker). You can opt to have us focus on one Blue Angel, an entire group, or any number in between, so long as they are in the same group. If we are shooting an entire group, you can expect roughly 5 minutes of refined video per Blue Angel or over 10 minutes if we are only working with one or two Blue Angels. (This package does not include an edited video.)

Cost: \$950 (includes roughly 3 hours on the mountain, up to 6 DVDs, shipping & handling, and tax)
